Why Vigil Contracting?

At Vigil, we've made our name through comprehensive management controls, highly competitive pricing, and our bottom line commitment to quality.

Our project management approach is designed to achieve the outcomes that all project stakeholders expect, while controlling costs, ensuring quality, and the completion of projects on time – Every Time.

Vigil is the ideal selection as your General Contractor – Or partner, for your next project.

Vigil staff includes engineers, licensed general contractors, electricians, construction managers, business professionals, and skilled tradesmen. We are experienced in all areas of construction, contract types, and contract management. Further, we have a full complement of qualified sub-contractors to augment our in-house capabilities, which enables us to meet all contract requirements.

Our project history includes numerous general construction contracts valued from \$25,000 to \$3,500,000.

Vigil has comprehensive performance history on IDIQ contracts with the Federal Government and Military with maximum order limits of \$3M. Vigil's leaders and project managers have backgrounds that include hundreds of Federal construction projects worth over \$250 Million combined.

Our customers include; The United States Department of Agriculture, The Department of the Army, The Department of the Navy, The Pentagon, and the Department of Homeland Security, among others.

Vigil Contracting, Inc. offers your project the benefits of quality, cost competitiveness, and the experience of a proven contractor.

Throughout our history, we have met every contract cost, schedule and performance requirement for every contract we've been awarded. If proven performance and reliable results are important to you – Choose Vigil Contracting.

Vigil Contracting, Inc. was formed in 1999 and is a fully qualified section 8(a), and Woman Owned Business Enterprise and further a licensed, insured, and bonded General Contractor.

Our capabilities include all aspects of General Contract and Construction management and execution. In the performance of contracts Vigil Contracting, Inc. provides engineers, licensed general contractors, electricians, construction managers, business professionals, and skilled tradesmen, experienced in each area of construction and design that will be required for success within the scope of work typically presented by the contracts we are awarded.

Shannan Vigil is the founder of Vigil Contracting, Inc. She is an entrepreneur who has owned two different successful businesses. Shannan grew up in the business as her family has operated a successful construction company for the past 30 years. During this time, she was involved in all aspects of the family construction business. She has performed at every level, from working in the field, to managing all of the business' contracts and functions.

Since Shannan organized Vigil Contracting in 1999, the company has renovated and/or constructed numerous projects, both Federal and private. The company receives exemplary reviews where performance, cost controls, quality workmanship and timeliness are concerned. **Vigil Contracting is...**

- ❖ 8(a) Certified
- ❖ 100% Woman-Owned
- ❖ Small Disadvantage Business Enterprise (SDBE)
- ❖ Maryland Department of Transportation (MDOT) MBE Certified

While Vigil Contracting manages many strong working relationships with fully qualified subcontractors, we perform many of our contract responsibilities with our **in-house capabilities**, which include all of the following:

Carpentry	Concrete construction	Construction Specialties
CPM Scheduling	Demolition	Doors & Windows
Drywall	Electrical Construction	Excavation/Site-Work
Flooring	HVAC & Plumbing Const.	Lead Abatement
Masonry	Painting	Waterproofing

“Deliver Outstanding performance and customer satisfaction on every project”

At Vigil Contracting, our number one goal is our customers' satisfaction. This includes not only their satisfaction with the quality construction, timeliness and cost effectiveness of our services, but with the entire process as well.

Performance evaluation can be unique for each project and customer. To ensure that we deliver outstanding performance *as our customer measures it*, our field teams adapt their operations to meet each customer's unique needs and expectations. In this process, we ensure that we maintain our own internal performance standards.

Each job-site team adopts the mission and objectives of our customer, forming with the customer a seamless connection and an organization that resembles the customer's organization itself. Vigil's reputation for quality, timeliness, consistency, technical capability, flexibility, good communication, and competitiveness, have established Vigil as a Best Value contractor.

“As our customer, we make the following commitments to you”

- ❖ We will deliver the highest quality level attainable on every project we undertake.
- ❖ We will be on-schedule, responsive and prompt with every Government request and contract requirement.
- ❖ We will provide fully qualified and technically capable staff.
- ❖ We will authorize our on-site staff to independently solve problems and develop strategies to make each project more efficient and successful.
- ❖ We will appropriately formulate performance metrics and on-site organizational structure to meet the needs of each contract and customer.
- ❖ We will make full use of our human, financial and technical resources to achieve the performance objectives of each contract.
- ❖ We will communicate frequently, professionally and effectively.
- ❖ We will be fair and competitive in pricing and strive to provide customers with the best value on every project.

“Vigil Contracting Delivers Reliable Results With an Experienced Team”

Shannan Vigil, President. Ms. Vigil is an entrepreneur who has owned two successful companies. She has Federal contracting experience in renovation and construction, completing many projects for Federal customers over the past six years. Shannan oversees the entire operation of Vigil Contracting.

J.J. Vigil, Operations Manager. Mr. Vigil is an electrical engineer with nearly fifteen years experience in electrical, telecommunications, construction management, design, and project management. His most recent responsibilities included management over the operations of the field, sales and marketing.

Joyce Knauff. Ms. Knauff has twenty-eight years of experience in business administration and finance, including fifteen years in the construction industry. She has extensive experience and specializes in organizational structuring, quality management, strategic planning and finance, accounting and our project management system.

Joe Mohan, Contracts Manager. Mr. Mohan has twenty-eight years of broad construction experience including nineteen years as a contracts manager with overall responsibility for projects including estimating, procurement, CPM scheduling, project administration, negotiations and project management. He has been directly responsible for the completion of projects with an aggregate volume of more than \$750,000,000 and design build experience of over \$100,000,000.

Robert Kerr, Senior Project Manager. Mr. Kerr is a Senior Project Manager with nearly twenty-six years of experience. He is extremely proficient in all aspects of project management, administration and operations in the construction industry. Mr. Kerr has learned by climbing the corporate ladder, as he started in the industry as a laborer. As he learned each skill he was continually promoted, currently at a senior project manager level. His experience includes value engineering, labor coordination, materials management, and overall management of projects up to \$12,000,000.

Vigil Experience

Breadth of Experience

Vigil has over \$30 million in contracts over the past three years, including every major construction discipline, from small repair projects to large building renovations. Also in its history are design-build contracts. Our company has a broad range of design and construction experience.

IDIQ Contract History

IDIQ contracts are unique; they are designed for quick response and completion with high quality and value. Successful IDIQ contractors are those with experience, professionalism and long-term dedication to the Government's needs. Vigil is now performing on IDIQ contracts:

- United States Department of Agriculture
 - National Agricultural Library
 - United States National Arboretum
 - Beltsville Agricultural Research Center
 - Downtown DC Whitten Building
- United States Department of The Navy
 - United States Naval Academy
- United States Army
 - Ft. Meade
 - Ft. Belvoir
- United States Army Corp of Engineers
 - Washington Aqueduct

In addition to the above, each of Vigil's staff members has significant experience with other IDIQ contracts. They possess all the experience, education, registrations and certifications necessary to successfully win and manage IDIQ, design-build and other construction contracts.

Project Listing
